Hi s. 11C(1)(a), thanks for your email.

Can you please confirm that you provided these comments through the Black Mountain websites public comment portal?

Following the transition to the National EPA, the next stages of the Valhalla Project assessment process will continue to be managed by the North WA team in our Assessments West Branch, in the National EPA. This is applicable for all projects undergoing an EPBC Act assessment process in the North of WA.

If you have any comments or questions, please send them to Northwa.section@nationalepa.gov.au, feel free to copy me in on the correspondenc e.

Cheers,

OFFICIAL

Dear Kylie, Paula and s. 22(1)(a)(ii)

Please find attached our submission/response to Black Mountain Energy ’s ‘Valhalla ’ preliminary documentation.

Given the transition to the NEPA, can you please confirm who will be dealing with the next stages of the Valhalla EPBC assessment? It ’s very confusing trying to work out whom we should be communicating with.

Yours sincerely
