Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, this exemption for the ECPs specified in Schedule 1 is granted subject to the following conditions:

1. The import and supply of the ECPs for the purpose specified in this exemption must be completed prior to the exemption expiry date of 28 February 2025.
2. The engines must be securely stored in a designated area in Marine Power International's secure warehouse facility and labelled upon arrival with the relevant supply limitation details outlined in this Exemption Notice.
3. The engines are only to be supplied by Marine Power International LLC through 'The Marine Shop' and other authorised Mercury dealers to the Victorian State Emergency Service (VIC SES) for rescue or emergency services purposes, and Dealers will be required to outline the conditions of the sale of these engines.
4. Consistent with the requirements of paragraph 34(1)(b) of the Rules, the engines must be accompanied within Australia by a copy of this exemption notice or by information regarding how the exemption can be accessed online, which must be clearly displayed in the area(s) of the premises where the ECPs are stored.
5. The supply of engines as described in Condition 3 must only be undertaken by Marine Power International LLC upon receipt of purchase from VIC SES.
6. The engines must not be displayed by any person for sale in a retail showroom or sales area accessible to the public, and must not be available for purchase in Australia to the public through Marine Power International's dealer network or by any other means.
7. If requested by the Department, Marine Power International must submit a report providing details of the engines imported and supplied under this exemption and/or provide evidence of compliance with the conditions of this exemption.
8. Exempted engines imported but not supplied by 28 February 2025 are not covered by this exemption.
9. This exemption is for a total of 90 ECPs, as described in Schedule 1.
