Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The import, and supply of the ECPs must be completed prior to the expiry date of **31 August 2026**.
2. The engines must be securely stored in a designated area in Marine Power International LLC's secure warehouse facility and labelled upon arrival with the relevant supply limitation details outlined in this Exemption Notice.
3. The engines are only to be supplied through Marine Power International LLC's authorised dealer network to a member club of Surf Life Saving Australia (SLSA) or an SLSA affiliated state or territory-based entity to provide rescue or emergency services purposes, and Dealers will be required to complete a manual order form which will outline the conditions of the sale of these engines.
4. The supply of engines as described in Condition 3 must only be undertaken by Marine Power International LLC upon receipt of a written purchase order from a member club of SLSA or an SLSA affiliated state or territory-based entity.
5. Consistent with the requirements of paragraph 34(1)(b) of the Rules, the engines must be accompanied within Australia with a copy of this exemption notice or with information regarding how the exemption can be accessed online, which must be clearly displayed in the area(s) of the premises where the ECPs are stored.
6. The engines must not be displayed by any person for sale in a retail showroom or sales area accessible to the public, and must not be available for purchase in Australia to the public through Marine Power International LLC's dealer network or by any other means.
7. Exempted engines imported but not supplied by 31 August 2026 are not covered by this exemption.
8. Marine Power International LLC must submit a comprehensive report demonstrating compliance with the conditions of this exemption prior to the expiry date of the exemption.

9. This exemption is for a total of 500 ECPs as described in Schedule 1.
