Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The import of the ECPs must be completed prior to the expiry date of **31 December 2026**.
2. Consistent with the requirements of paragraph 34(1)(b) of the Rules, when the ECPs are imported or supplied, they must be accompanied within Australia with a copy of this exemption notice or with information regarding how the exemption can be accessed online.
3. Consistent with the requirements of Condition 2, the ECPs are also to be labelled upon on arrival with the relevant supply limitation details outlined in this Exemption Notice and must be securely stored on STIHL Pty Ltd.'s premises with this information clearly displayed to identify that they are ECPs imported under this Exemption.
4. The ECPs must not be displayed by any person for sale in a retail showroom or sales area accessible to the public and must not be available for purchase in Australia to the public through STIHL Pty Ltd dealer network or by any other means.
5. STIHL Pty Ltd must submit a comprehensive report demonstrating compliance with the conditions of this exemption prior to 31 December 2026.
6. This exemption is for a total of 160 (one hundred and sixty) ECPs, with the total to be made up of any combination of the ECPs as described in Schedule 1.
