**NOTICE OF VARIATION TO AN APPLICATION RECEIVED UNDER THE
HAZARDOUS WASTE (REGULATION OF EXPORTS AND IMPORTS) ACT 1989**

Pursuant to section 33 of the *Hazardous Waste (Regulation of Exports and Imports) Act 1989*, notice is given that application AUH20-020 from TWM PNG Ltd (Papua New Guinea Investment Promotion Authority Registration Number 1-80483), PO Box 473, Waigani, National Capital District 131, Papua New Guinea (Telephone: +675 320 3242), has been varied for the second time.

The application relates to the import from Papua New Guinea of up to 200 tonnes of e-waste comprising of electrical and electronic equipment no longer suitable for use (Basel Code A1180), with the main components including metals, plastic casings, circuit boards, power supplies, lithium batteries and cathode-ray tubes.

On 9 November 2020, the original application was received and notice of the received application was published. On 7 April 2021, notice regarding the varied AUH20-020 application was published. The variation was made to amend the list of facilities proposed for recovery operations of the waste and the intended period of time for shipments of the waste. All other particulars of the original application were identical.

On 22 June 2021, the application was varied for the second time to make one change only, specifically to replace the Recycal Pty Ltd facility in Ringwood, Victoria, with the CMA Ecocycle Ltd facility in Campbellfield, Victoria. All other particulars of the application remain the same.
