Department of Climate Change, Energy,
the Environment and Water

**NOTICE OF SECOND VARIATION TO AN APPLICATION RECEIVED UNDER THE
HAZARDOUS WASTE (REGULATION OF EXPORTS AND IMPORTS) ACT 1989**

Pursuant to section 33 of the *Hazardous Waste (Regulation of Exports and Imports) Act 1989* (the Act), notice is given that application AUH25-032 from TES-AMM Australia Pty Ltd (ABN 20 118 833 346), 1 Marple Ave, Villawood, NSW 2163 (Telephone: +61 2 8188 8088), has been varied.

The original application was received on 14 October 2025. On 25 November 2025, this application was varied to amend proposed shipping dates, the waste description, and the waste identification codes. On 21 January 2026, in accordance with section 14 of the Act, the application was varied a second time to remove the recovery code R1 – Use as a fuel (other than in direct incineration) or other means to generate energy.

The application now relates to the export of up to 3,000 tonnes of waste electrical and electronic equipment (WEEE), excluding batteries, including parts and accessories of electrical and electronic equipment, as well as ink/toner cartridges (Basel codes A1181, A4070, Y12, and Y18) to Singapore. The waste will be sent to the TES-AMM Singapore Pte Ltd facility in Singapore for recovery operation R4 - Recycling/reclamation of metals and metal compounds.

Wastes proposed for export include printed circuit boards (PCBs) including flexible circuits, destroyed hard drives, destroyed solid state drives (SSDs), central processing units (CPUs), memory storage, power supplies, power adaptors, optical drives, parts and accessories of electrical and electronic equipment, and ink and toner cartridges.

Written comments on the varied permit application may be lodged with the department within 15 business days of publication of this notice. Comments should be addressed to the Director, Hazardous Waste and National Television and Computer Recycling Scheme (NTCRS) Section, Department of Climate Change, Energy, the Environment and Water, GPO Box 3090, CANBERRA ACT 2601, or forwarded by email to hazardous.waste@dcceew.gov.au. Respondents should be aware that comments will be shared with the applicant and should not contain commercial-in-confidence information.

Dr Sam Margerison
Director
