Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The engines must be stored in a designated area in Marine Power International Pty Ltd's secure warehouse facility.
2. The engines that are the subject of this exemption, which are imported from 1 July 2018, must not be available for purchase in Australia on Marine Power International Pty Ltd's online dealer ordering system.
3. If requested by the Department, Marine Power International Pty Ltd must be able to submit a report on the engines exported by serial number.
4. A copy of the exemption, or information about how the exemption can be viewed on the Department's website must be included with the product.
5. Marine Power International Pty Ltd must provide an annual written report to the Department by or on 31 July in 2019, 2020 and 2021 documenting the date of export and number of each of the 41 engine models in Schedule 1 that have been exported under this exemption in the 12 months to 30 June in that year.
