Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The engines must be stored in a designated area in Lakeside Marine Pty Ltd's warehouse facility and clearly marked as engines imported under this exemption.
2. A copy of the exemption, or information about how the exemption can be viewed on the Department's website must be included with the product.
3. The engines that are the subject of this exemption, which are imported from 1 July 2018, must not be available for purchase in Australia on Lakeside Marine Pty Ltd's online ordering system.
4. If requested by the Department, Lakeside Marine Pty Ltd must be able to submit a report on the engines exported under this exemption by serial number.
5. Lakeside Marine Pty Ltd must provide an annual written report to the Department by or on 31 July in 2019, 2020 and 2021 documenting the date of export and number of engines that have been exported under this exemption in the 12 months to 30 June in that year.
