Department of the Environment and Energy

Product Emissions Standards Act 2017

Product Emissions Standards Rules 2017

Exemption Notice

Exemption No: ECP-18-0019E

I, David Jeffery, a Delegate of the Secretary of the Department of the Environment and Energy (the Department) grant this exemption from sections 13 and 14 of the *Product Emissions Standards Act 2017* (the Act) to Kaaz Corporation [International Organisation (Japan) – Corporate Number 1260001009187].

This exemption is granted under section 32 and in accordance with exemption category 30 (1) (b) of the *Product Emissions Standards Rules 2017* (the Rules) for the testing, evaluation, display, advertisement, offer for supply or pre-order of the emissions-controlled products specified in Schedule 1 to this Notice, subject to the conditions specified in Schedule 2 to this Notice.

This exemption comes into force on the date that it is published on the Department's website.

This exemption expires on 30 September 2020.

A handwritten signature in dark ink, appearing to read 'D. Jeffery'.

Date: 01 / 03 / 2019

Delegate of the Secretary

Schedule 1

Emissions-Controlled Products (ECPs) Included in this Exemption

The ECPs covered by this exemption are the Handheld Engines as defined under Section 8 of the Rules listed in the table below.

ECP Category	Make	Model Name	Equipment Type
Non-road engine	Kaaz	VRK25 (tentative - under development)	Handheld equipment (String Trimmers)

Schedule 2

Exemption Conditions

In accordance with subsection 34 of the Rules, the exemption for the ECPs specified in Schedule 1 is granted subject to the following conditions:

1. This exemption is for a total of two (2) ECPs to enable the ECPs to be field-tested by professional landscapers organised by Parklands Power Products (in Sydney), who are an authorised distributor for Kaaz Corporation.
2. The import, testing and evaluation of the ECPs must be completed prior to the expiry date of this exemption.
3. When the ECPs are supplied (loaned) to professional landscapers this will be done with a clear indication that the ECPs are to be used exclusively for field-testing purposes only to ensure that they are only used for the purpose specified in this exemption.
4. The ECPs must be securely stored when on the premises of Parkland Power Products in Australia and marked in such a manner that they are clearly identifiable as ECPs imported by Kaaz Corporation under this exemption.
5. A copy of this exemption must be clearly displayed in the area(s) of the Parklands Power Products premises where the ECPs are stored. A copy of the exemption must also be provided to the professional landscapers that the ECPs are supplied (loaned) to.
6. When the ECPs have been utilised for the purpose of this exemption and are no longer required, they must be returned to Kaaz Corporation in Japan or otherwise re-exported or destroyed prior to the expiry date of this exemption.
7. If requested by the Department, Kaaz Corporation must be able to submit a report relating to compliance with the conditions of this exemption.
