Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, this exemption for the ECPs specified in Schedule 1 is granted subject to the following conditions:

1. The engines must only be supplied to the Department of Defence for the purposes specified in the application.
2. The import and supply of the ECPs specified in this exemption must be completed prior to the exemption expiry date of 31 December 2021.
3. Consistent with the requirements of paragraph 34(1)(b) of the Rules, the engines must be accompanied throughout the supply chain within Australia by a copy of this exemption notice or by information regarding how the exemption can be accessed online.
4. The engines are to be securely stored in Marine Power International's premises and labelled upon arrival with the relevant supply limitation details outlined in this Exemption Notice.
5. The engines must not be displayed by any person for sale in a retail showroom or sales area accessible to the public.
6. Exempted engines imported but not supplied by 31 December 2021 are not covered by this exemption.
7. If requested by the Department, Marine Power International must be able to submit a report relating to compliance with the conditions of this exemption, including documentation to confirm the number of engines imported and supplied prior to the expiry date of the exemption.
8. This exemption is for a total of 24 ECPs as described in Schedule 1.
