Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The engines must only be supplied for the purpose of replacing an uncertified, unserviceable engine that was supplied to the engine user before 1 July 2020.
2. If an engine supplied in accordance with Condition 1 of this exemption fails or becomes unserviceable within the engine's warranty period, a further replacement engine is considered to be a replacement of the original uncertified, unserviceable engine.
3. The ECPs must be securely stored on Marine Power International Pty Ltd premises and marked in such a manner that they are clearly identifiable as ECPs imported under this exemption.
4. A copy of this exemption must be clearly displayed in the area(s) of the premises where the ECPs are stored.
5. The engines are to be labelled upon arrival with the relevant supply limitation details outlined in this Exemption Notice.
6. If requested by the Department, Marine Power International Pty Ltd must be able to submit a report relating to compliance with the conditions of this exemption.
7. Marine Power International Pty Ltd must keep records of each engine being replaced with an engine supplied under this exemption including why the engine has no suitable certified alternative.
8. The engines must not be displayed by any person for sale in a retail showroom or sales area accessible to the public.
9. The import and supply of the ECPs for the purpose specified in this exemption must be completed prior to the expiry date of 30 June 2024.
10. Exempted engines imported but not supplied by 30 June 2024 are not covered by this exemption.

11. This exemption is for a total of three hundred and thirty (330) ECPs as described in Schedule 1.
