Schedule 2

Exemption Conditions

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The import and supply of the Emissions-Controlled Products (ECPs) to the Department of Defence for the purposes specified in the application must be completed prior to the expiry date of **30 June 2027**.
2. The ECPs must only be supplied by Calgus Pty Ltd through an authorised dealer for the ultimate use of the Department of Defence.
3. The supply of ECPs as described in Condition 2 must only be undertaken upon receipt of an order form from the Department of Defence.
4. Consistent with the requirements of paragraph 34(1)(b) of the Rules, when the ECPs are imported or supplied, they must be accompanied within Australia with a copy of this exemption notice or with information regarding how the exemption can be accessed online.
5. A copy of this exemption must be clearly displayed in the area(s) of the premises where the ECPs are stored before they are supplied to the Department of Defence.
6. The ECPs must not be displayed by any person for sale in a retail showroom or sales area accessible to the public and must not be available for purchase in Australia to the public through Calgus Pty Ltd dealer network or by any other means. However, they may be displayed within Defence trade shows for inspection by Australian Defence Force representatives.
7. When displayed within a Defence trade show as described in Condition 6 the ECPs must be clearly labelled with the supply limitation details outlined in this Exemption Notice including that they are only for use for national security purposes.
8. Exempted ECPs imported but not supplied by **30 June 2027** are not covered by this exemption.

9. Calgus Pty Ltd must submit a comprehensive report demonstrating compliance with the conditions of this exemption prior to **30 June 2027**.
10. This exemption is for a total of five hundred (500) ECPs, with the total to be made up of any combination of the ECPs as described in Schedule 1.
